Checking Out Books and Materials

Your card grants you borrowing priviledges at all BCCLS libraries. You may take out and return books at any of our locations (see the back of this brochure for a full list).

The West Orange Public Library no longer charges fees for books returned late. Most libraries in the BCCLS consortium also do not charge late fees, but be aware that some do.

You may take out up to fifty (50!) items a time.

If we don't have the books or materials you are looking for, we can request them from another library in our system and hold those items for you. Popular items usually have many copies circulating in our system. Our local patrons get priority for our materials.

Once notified that your materials are available for pickup you have four days to come get them at our circulation desk.
